Exit at front doors

MESSAGE FROM DR. CONWAY

RNE Families,

I hope everyone has had a wonderful summer and took time to make fun memories. I love that summer gives the opportunity for our children to wonder about new things, make new friends and reconnect with old ones, as well as spend time with cherished loved ones. Days feel longer and things are just a bit less predictable.

Now, here it is! Time to gear up and start to think about heading to bed a bit earlier, curtailing some of those sleepovers, aligning fall sports schedules, and getting back to a steady routine. There's something a little bit exciting about that too!

We have been working hard to be as ready as ever for all of our 2023-2024 Roswell North Bears. We've had numerous planning meetings, tons of deliveries, a major deep clean, and now we just need to get our teachers and students back in the building! We've been incredibly thoughtful about every aspect of the school year ahead. We've listened to feedback and looked at our data to make instructional decisions that make sense. Our goal is to continue to be a proud part of the Roswell Community where students come and get an amazingly strong foundational start to their educational journey. We are so very serious about that.

We hope you soak up the last days of summer, and you just might want to start to meander down the back-to-school aisles of stores! It's coming.....BACK TO SCHOOL 2023! We can't wait to see you!

Sincerely,
Dr. Conway

ROSWELL NORTH ELEMENTARY PTA

The Roswell North Elementary (RNE) PTA supports our wonderful school and its students, teachers, and staff through volunteerism and funding. Whether you're new to the RNE community and looking to get involved or are returning to RNE for another school year, please consider supporting our PTA in whatever way you can.

How do I join the RNE PTA?

Any parent, guardian, teacher or staff member can join the PTA. Please visit our [Membership Site](#) for more information. For business partnerships, please reach out to RNESPTAPRESIDENT@GMAIL.COM.

How do I volunteer with the PTA?

Our goal is to provide a variety of volunteer opportunities that meet parents where they are. We have something for everyone! You can sign-up for volunteer opportunities at our annual Open House, on the [volunteer form](#) on our Membership site, or via individual sign-ups released during the school year.

Thank you in advance for supporting our awesome school and community!

Hannah Milley & Jenn Clutter, Co-Presidents
Roswell North Elementary PTA Board 2023-2024

code to join PTA!

DID YOU KNOW?

Your PTA donations & membership dollars support all aspects of RNE, including:

- Field trips
- Special events such as Artist Day, International Night, and more
- Exterior and Interior beautification
- Medical supplies for the clinic
- P.E. and playground equipment
- Library books and programs
- Technology and devices
- Teacher Appreciation and much more

Additional PTA fundraising goes toward special projects. Last year, PTA funding allowed us to move forward with replacing the deck behind the school. Construction is (at last!) underway.

Check out the [Friends of RNE Facebook page](#) to stay up to date with the latest news!

SPIRIT WEAR

All 3 designs available
at open house!

PTA Bronze, Silver and
Gold Members get this
RNE 20 oz. Stainless
Water Bottle!

PARENT VOLUNTEER TRAINING

RNE needs your help! Get your volunteer clearance today.

Before you can help on campus, we need to make sure you have received standard training and cleared our safety protocols.

You must complete the training video below and have your driver's license scanned at the front desk before you will be allowed inside the building for any volunteer duties including **classroom readers, party helpers, and Field Day spectators**. If you think you may be on campus at all this year, go ahead and complete the training and get your license scanned at the front desk during open house.

Get started by visiting this link: <https://www.fultonschools.org/Page/9539>

The video and online application take about 15 minutes to complete. You will need to scan your license at the RNE front desk to finalize your clearance.

Thank you for doing your part to ensure the safety of our students!

ROSWELL NORTH ELEMENTARY FOUNDATION

Since 2009, the Roswell North Elementary Foundation (RNEF), a 501(c)(3) nonprofit organization, has been operated by a Board of Directors comprised of parents, faculty and staff to raise money with the goals of enriching and supporting the academic experience of the students at our school with a focus on science and technology in the form of "hands-on" learning.

RNEF is supported by parents, teachers and community partners who ensure our students receive cutting edge technology in the classroom. As part of our mission, RNEF annually funds the full operating costs of The Licata Science Lab and food science extension classroom, which includes **providing a full-time certified teacher**, all lab supplies, access to the garden and various other initiatives that are not funded by Fulton County Schools. Roswell North is one of only two elementary school-level science labs in North Fulton County, that receives direct donations that go directly back to our students and are tax free to our donors.

Thank you for your generous donations and continued support of the Roswell North Elementary Foundation!

Michael Stainback, Foundation President

ROSWELL NORTH ELEMENTARY SCHOOL GOVERNANCE COUNCIL

SGC OVERVIEW

The purpose of the School Governance Council is to provide parents, school staff, and community members with a leadership role in the management of the school. The School Governance Council is a governing body that is representative of the community and the school, but operates under the control and management of the Board of Education. The Council is responsible for making decisions regarding the strategic direction of the school including:

- Approve the school strategic plan and updates
- Approve the annual budget and annual resource allocations
- Manage the Request for Flexibility process
- Participate in hiring the principal (in the case of a vacancy)
- Provide annual feedback on principal performance.

Last year, the SGC approved the 2023-2024 school budget and elected new members. Please join us in welcoming Danielle Combs, Kristen Ott, and Jennifer Rains to the RNE SGC!
